Action Taken Report (2019-20)

The Feedback survey among the major stakeholders like Students, Teachers, Alumni and Employers was conducted through offline feedback forms and online via Google Forms by considering the feasibility of upgrading the curriculum. The received feedback data were thoroughly analyzed by the members of IQAC and necessary actions were suggested to the members in the 11th meeting of IQAC held on February 22, 2021.

Major summary to note in Feedback:

1. More than 70% of students participated in feedback for academic purposes.
2. Academic feedback was taken twice in a year.
3. 40 employers participated in feedback during recruitment drives
4. More than 50% of faculties have provided feedback for academic and resources of the Institute.
5. More than 41% of the Alumni have participated in Alumni Feedback during Alumni Meet.
6. Students are well satisfied with the overall facilities provided by the Institution.
7. Students appreciated the teaching and punctuality skills of the faculties.

Following the same, the compiled ATR (attached herewith) of the Feedback were received by IQAC from all the office bearers and the compiled report was presented in the 12th meeting of IQAC dated May 28, 2021.

The members of the IQAC appreciated the efforts of institution leadership towards improving the quality education to the students and trying to meet the expectations of all the stakeholders.

Conclusion:

Overall, the feedback collected from students provides valuable insights into the strengths and areas for improvement within the institution's academic offerings and campus ambience. By addressing the identified areas for enhancement and building upon existing strengths, the institution can further enhance the overall student experience and maintain its commitment to academic excellence and a supportive learning environment.

Table 1: Based on the Students' feedback the following changes were made:

S.No.	Feedback Suggestions	Action Taken
1	Request for conducting events for problem solving on global platform to enhance skills	The smart city hackathon -2020, Session on Research and Development were conducted to provide a platform to students to solve real life problems.
2	Requirement for equal opportunity to perform	Initiatives like Student's Council & Clubs are formed to ensure equitable participation of students and success.
3	More extracurricular activities should be performed	Department is always focused on innovative learning and encourages students for self-learning and participates in beyond syllabus activities. All the facilities which are available in the campus for student welfare are monitored regularly and management always pays high attention to these matters. Extracurricular activities like Poster making Competition, Chess Competition, Solo singing and Dancing are encouraged by giving students marks for participation and winning in DECA (Discipline Extra Curricular Activities).
4	More training and workshops sessions are required	10+ Trainings/Workshops have been conducted this year and most of these had a duration of minimum 1 week for better future of the students.
5	Guidance for Higher Studies & Competitive examinations.	SPL for GATE is organized and more structured efforts are being made for thorough preparation.
6	Requirement of Skill development and personality development programs/ Value added Programs	Mock tests, GD and PI round are completed. Add on /Certificate /Value added programs/ online MOOC programs like SWAYAM, NPTEL etc. are offered to students.

Table 2: Based on the Faculty feedback the following changes were made

S. No.	Feedback-suggestions	Action Taken
1	Requirement of more FDP/Trainings/workshops	20+ FDP/Trainings/Workshops have been conducted this year and 6 of these had a duration of minimum 1 week.
2	Potable water facility should be improved	Well-maintained water purifying equipment is installed.
3	More ICT based resources are required in the Department.	More ICT equipment, such as speakers, screens, and LCD projectors, has been installed in the classrooms to enhance the quality of delivery and presentations.
4	Increase in Research facilities and research output in the form of publications	Research facilities and output are promoted through encouraging faculty engagement in research activities. More than 150 teaching and non-teaching staff are provided with financial support to attend conferences / workshops and towards membership fees of professional bodies during the year. International conference sponsored by ISTE is organized.

Table 3: Based on the Alumni feedback the following changes were made:

S.No	Feedback Suggestions	Action Taken
1	More entrepreneurial and innovation sessions.	Conduction of motivational sessions such as -A Motivational Session on "Education should not be sold, rather it must be distributed" Mr. Himanshu Duggad, Motivational Session by Dr. R L Raina, Vice Chancellor JK Lakshmipat University
2	Businesses with better reputations and more competitive packages ought to be invited for hiring	Reputed Companies were invited on campus for recruitment like Infosys, Byju's , Capgemini etc.
3	More materials should be added to libraries, and online resources should be improved for distant access.	The library's collection of textbooks now includes more books. There is also a digital library available for students.
