Date: 15 May 2023

Action Taken Report (2021-22)

The Feedback survey among the major stakeholders like Students, Teachers, Alumni and Employers was conducted through offline feedback forms and online via Google Forms by considering the feasibility of upgrading the curriculum. The received feedback data were thoroughly analyzed by the members of IQAC and necessary actions were suggested to the members in the 19th meeting of IQAC held on February 21, 2023.

Major summary to note in Feedback:

1. Over 52% of students provided input for academic grounds.
2. Academic input was collected twice every year.
3. 16 employers provided input during recruitment efforts.
4. Over 36% of faculty provided feedback on the Institute's academics and resources.
5. Over 21% of alumni provided feedback during the Alumni Meet.
6. Students are pleased with extended exercise, library, and canteen hours.
7. Students enjoyed the Institute's academic facilities.
8. The majority of students feel that there is an increase in sports tournaments.

Following the same, the ATR's of the Feedback were received by IQAC from all the office bearers and the compiled report was presented in the 20th meeting of IQAC dated May 16, 2023. The detailed report of ATR Is attached here with.

Conclusion:

Overall, the feedback collected from students provides valuable insights into the strengths and areas for improvement within the institution's academic offerings and campus ambience. By addressing the identified areas for enhancement and building upon existing strengths, the institution can further enhance the overall student experience and maintain its commitment to academic excellence and a supportive learning environment.

Table 1: Based on the Students' feedback the following changes were made

S.No.	Feedback Suggestions	Action Taken
1	Increase in the timings of gym, library and canteen facilities.	Management of the institution extended the timings of the gym for hostellers and also the timings of the college canteen till 12:00 AM midnight. Library time also increased for the students.
2	Need to upgrade Computer & IT infrastructure according to the requirements of various subjects.	New Labs generated in the Department of Artificial Intelligence and Data science such as Networking lab, Algorithm lab, Java lab etc. Computers are taken care of regularly by hired professionals to ensure that the equipment perform well.
3	Requirement of more job oriented sessions	Entrepreneurship sessions were organized by the departments to enhance their skill set and knowledge base. Such as Session on HOW TO BECOME A SUCCESSFUL ENTREPRENEUR by Mr. Abhishek Gupta conducted By PIIC.
4	Request to arrange the sports tournament	As suggested by the students Institute's Student Council (Sports Club) organized a SPORTS EVENT – Arm Wrestling, Badminton, Long Jump, Man of Steel, Shot Put, and Table Tennis.
5	To plant various kinds of trees in Institute campus	Various kinds of trees are planted to sustain the environment in the Campus. Various Plantation Drives are organized in the campus.

Table 2: Based on the Faculty feedback the following changes were made

S. No.	Feedback-suggestions	Action Taken
1	Requirement of certificate courses for increasing the knowledge in latest trends and technology	Institute focus on organizing certificate courses for the faculties such as -Short Term Course (STC) for Faculty on Machine Learning using Python
2	Requirement for the sessions on Research and innovation	Conduction Faculty Development Programmes like Faculty Induction Program On Strategic Planning and Implementation in Teaching-Learning, Research and Innovations
3	Provide Online ICT tools for teaching	Institute Provides Faculties ID's for teaching on Microsoft teams for smooth conduction of online classes
