Action Taken Report with respect to 20th IQAC meeting dated 16 May, 2023 (Friday)

S. No.	Resolution	Action Taken
1	The enrolment numbers for all programs in the academic year 2023-24 were impressive.	It was recorded that no further action was required and expected.
2	The recommendations of IQAC for improvement in academic performance of the students.	The recommendations made by IQAC were implemented, by appending various new and innovative teaching pedagogy, leading to an enhancement in the academic performance of the students.
3	The IQAC recommended that PBIC focus on supporting entrepreneurship and helping new start-ups, while the IPR Cell should increase its efforts in encouraging patent applications from faculty and students.	The recommendations provided by IQAC were put into action by PBIC and IPR Cell, leading to a rise in the number of start-ups and patent applications in the current year.
4	The IQAC expressed their pleasure with the faculty training program on LATEX.	It was recorded that no further action was required and expected.
5	The Training and Placement cell was advised by the IQAC to take additional measures in order to enhance the quantity and quality of placements.	The recommendations put forth by IQAC were effectively implemented by the training and placement cell, leading to an increase in both the number of students placed and the average salary packages offered to them.
6	The IQAC has reviewed and approved the upcoming Academic year 2023-24.	It was recorded that no further action was required and expected.
7	The IQAC has approved the proposal for conferences, workshops, and seminars for the academic year 2023-24.	It was recorded that no further action was required and expected.
8	The IQAC has directed that appropriate actions be taken in light of the feedback report on the academic processes.	The heads of all departments have implemented the recommendations provided by the Internal Quality Assurance Cell (IQAC) based on feedback received from stakeholders regarding the academic procedures. And detailed ATR is being prepared for forthcoming meetings
9	The IQAC approved the proposal for a 15-day faculty training program on the Implementation of NEP-2020.	It was recorded that no further action was required and expected.
10	The IQAC has recommended enhancing research publications in UGC/SCOPUS/SCI Journals.	The department heads have implemented IQAC recommendations to improve research paper publication in UGC/SCOPUS/SCI Journals, and new policy for increasing the technical Publication incentive is also being prepared.
