

POORNIMA

INSTITUTE OF ENGINEERING & TECHNOLOGY

An Autonomous Institution approved by RTU, AICTE & UGC • NAAC 'A' Accredited

ABOUT PIET

Poornima Institute of Engineering and Technology (PIET) is an Autonomous institution in engineering education, established in the academic year 2007, affiliated with Rajasthan Technical University (Kota), approved by AICTE & UGC under 2(f). With over 1900 students, the institute offers eight specializations at UG level CSE, CS(AI), CS(R), CS(DS), AI&DS, CS (IoT), Electrical Engineering (EE), Electronics and Communication (EC), focused on imparting robust technical skills and holistic development. PIET has been the 1st Institution across India to offer B. Tech CSE in Indian language under NEP 2020. In recognition of its sustained quality enhancement, PIET was accredited with NAAC 'A' Grade in 2025. PIET has consistently ranked among the top five institutions under the QIV Ranking by RTU, Kota and holds a Diamond rating by QS I-Gauge. It is the 1st institute in Rajasthan to receive AICTE funding of Rs 50.39 lakh for establishing an IDEA Lab, demonstrating its leadership in promoting innovation and design thinking.

The institute has been rated Platinum in the AICTE-CII Survey, showcasing its strong industry-oriented learning ecosystem. A Neural Network & Deep Learning Lab has been established under the MODROB Scheme with Rs 12.84 lakh in grants. Over the last six years, PIET has secured research funding exceeding Rs 1.79 crore from national agencies including TEQIP III, AICTE, and NITTTR. It is having many industry and government funded labs like Deep Learning & Neural Network Lab under AICTE-MODROB, REDHAT Lab, ORACLE Lab and many more. PIET has been awarded center of excellence for Advanced Digital Manufacturing by its affiliating University that facilitates Skill development, hands on learning and innovation. In last 05 years PIET has published more than 300 papers in reputed journals, total research grants received till date amount to Rs. 1.7 crores in last five years and with help of dedicated IPR cell our students and faculty members have more 60 patents published and 10 patents granted in last 05 years. Every year we place more than 90% students with top reputed Industries with average package of Rs. 5.5 lakh per annum. Poornima Business Incubation Cell (PBIC) is a dedicated unit that encourages and supports to work towards entrepreneurship and till now more 48 incubations have been nurtured out of which 19 are registered with Government bodies too.
