BEGINNING OF AAROHAN -2019

The moment everyone was waiting for has arrived. It was the beginning of the most auspicious tech-cult-sports fest AAROHAN-2019. The fest began with great enthusiasm by the poornimites on 28th of January, 2019 and it was successfully concluded with a celebrity night in the evening of 1st of February, 2019. The five-day fest inspired everyone to explore and display their potential to the fullest.

The most precious tech-cult-sports fest AAROHAN-2019 was inaugurated on the morning of 28th of February, 2019. The inaugural ceremony began with Ganesh Vandana by Yogita Tak and Pooja Gupta followed by lamp lighting chief guest **Mr. Sundar Singh Gurjar**. (He is an Indian Paralympic javelin thrower, shot putter and discus thrower competing in F46 events. He set a world record at the 16th Para Athletics National Championship in Panchkula holding three gold medals in three events) and Sh. M.K.M. Shah, Director Admin. & Fin., PG, Sh. Hari Singh Shekhawat, Director Infrastructure, PG, Dr. Mahesh M. Bundele, Director, PCE, Dr. Dinesh Kumar Goyal, Director, PIET, Sh. Pankaj Dhemia, Vice Principal, PCE, Mr. Rahul Singhi, Director, PG, Mr. Pushendra Mudgal, Assistant Director, PG. Then there was introduction and unveiling of trophies and words of wisdom by the Chief Guest. The girls of 1st year glorified the event with their group dance. The majestic inaugural ceremony was concluded with Lighting of AAROHAN Mashaal by Chief Guest & Handing over to Students to take it from PIET for fixing it at Maa Saraswati Temple, PCE.

REPORT OF AAROHAN 2019

After the inaugural ceremony there was beginning of the events of AAROHAN-2019. The events were classified into four categories technical, sports, cultural and club.

INVITATION TO LORD GANESHA

The beginning of AAROHAN 2019 was initiated with the invitation to LORD GANESHA. AAROHAN team members together with faculties went to MOTI DUNGRI temple to invite the blessings of GOD to shower upon us. With this, our team gathered motivation and courage to start the fest with people full of energy and enthusiasm. An invitation card was prepared by our decoration team to invite the auspicious blessings.

Remarks (Suggestions):

1. At our event venue there were no arrangement of mic and speakers due to that we were not able to control the rush as on that place there were 3 events going.
2. after 45 minutes of reporting we have to change our loactions to seminar hall and event started by 1:15.
3. As in morning all the events were going late so many contestants were engaged in other events. They were not able to attend our event or first round due to that.
4. There were no one for announcements as were told that there will always be someone who will take care of any announcement and we contacted help desk for that also but we have to manage everything.
5. App was not working properly so we managed to take attendance on paper seat which created a high rush.

NOTE:- The event went well after 1:15pm and we announced our winners by 4:00pm.

CELEBRITY NIGHT

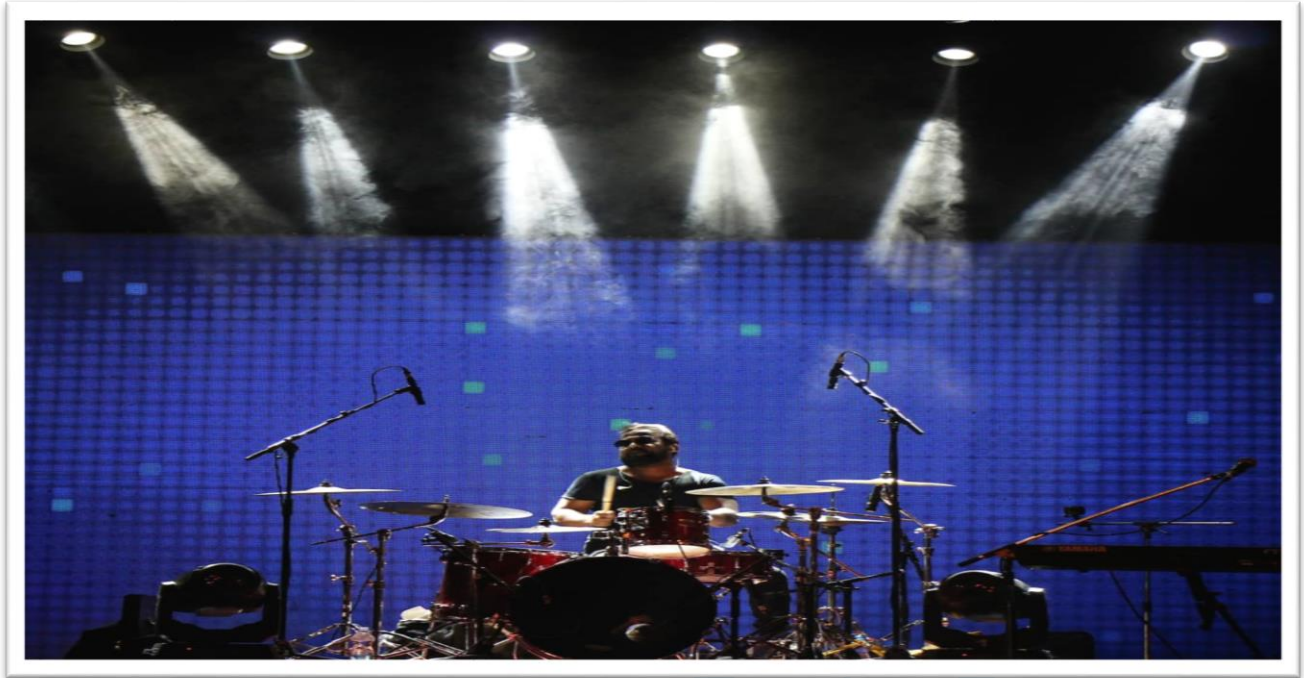

NAKASH AZIZ was invited to perform on the celebrity night organized by the PIET. The celebrity night was held on 1st of February. 7 students was selected from the PIET in culmination to receive Nakash Aziz and his crew from the airport on the day of the performance.

The celebrity night incepted with RJ Palak from 98.3FM inviting Nakash Aziz and his bandmates to the stage. Nakash took the stage and received a warm welcome from the students and faculty of the PIET. He then went on to perform his hits along with some old songs.

The night conceded with mementos to Nakash Aziz and his bandmates.

REPORT OF AAROHAN 2019

Problems: Some of the major problems that we faced during the conduction of the event were:

1. Department team formation was necessary due to which the best of players from different teams could not form a team together.
2. Some of the Event Coordinators were not able to bring teams from other colleges due to which college participated teams were carried on to the inter event.
3. Attractive night shows other than celebrity night was missing which could have attracted a lot of participation from other colleges and accommodation facilities.
4. Preparation of AAROHAN 2019 started only 15 days before the scheduled dates which leads to some missing points like: Sponsorship, Marketing of Fest, Event publicity.
5. Some big events like Band Performance, Instrumental night were missing which could have attracted a lot of crowd.

Solutions:

1. Preparation of AAROHAN must start at least 1-2 months before the scheduled dates so that all arrangements are done on time.
2. Team formation from departments must be removed.

REPORT OF AAROHAN 2019

3. To ensure maximum participation in INTRA events, attractive prizes must be there for the students.
4. In some events like solo dance, solo singing, Group dance etc., INTRA and INTER category must be removed. Instead, Prelims and Finals must be there to maintain the decorum of the stages.
5. There must be a thorough selection process for the finalization of Event Coordinators.

CONCLUSION

The event was conducted successfully under the mentorship of High Authorities, CPMG and PEMC members, Coordinators and Volunteers. Students from POORNIMA INSTITUTE OF ENGINEERING & TECHNOLOGY as well as the other colleges appreciated our efforts. All faculties and staff members congratulated us on the successful conduct of event. Any misbehavior, ill-mannered, or other kind of intolerable activity did not happen in the college premises. All the required facilities to the judges, referees, outside students were provided on time. Celebrity Night, with the gracious presence of singer NAKASH AZIZ conducted successfully by ensuring services like Security, Accommodation and Transportation services, Hospitality, etc. Certain small problems were solved immediately due to the timely response of all our team members. We, the AAROHAN team can say that it is our discipline and team work towards the fest that give us the confidence to face challenges whenever they come in our path.

Juniors worked with the Final Year to grab as much learning and experience as they can to maintain the hierarchy.

Hope, the students of POORNIMA INSTITUTE OF ENGINEERING & TECHNOLOGY always work together to continue the legacy of AAROHAN.
