REPORT ON POORNIMA MANTHAN

Poornima Institute of Engineering and Technology conducted Poornima Manthan 2021 - An International Level debate competition on October 23rd, 2021, in Arbuda Convention Centre, in collaboration with Yi Yuva Jaipur.

Parliamentary debate is an off-topic, extemporaneous form of competitive debate which stresses rigorous argumentation, logical analysis, quick thinking, breadth of knowledge, and rhetorical ability over preparation of evidence. It is patterned after the style of platform debate first made famous at Oxford University. The format pits two two-person teams against each other in a contest of argument, wit and rhetoric which roughly simulate debate in a House of Parliament.

Poornima Manthan 2021 had a remarkable way to deal with banter that gave a casual yet exceptionally thorough discussion experience for all included. The occasion brought forward the critical concerns of today's society and assisted the students in expanding their perspectives and horizons of thoughts.

The inaugural ceremony was presided over by eminent dignitaries that lend the occasion with a genuine sparkle. The event started with lightning of lamp, and garlanding of Maa Saraswati, preceded over by felicitation of the Jury Members and the Chief Guest.

The anchors for the event were Meghna Mathur and Yuvraj Dagur. As for the session speakers – the speakers for the offline sessions were Priyanshi Goyal and Divyanshi Chaudhary, and for the online sessions were Shivani Singh Rana and Raghav Malhotra.

A total of 12 teams participated physically and 24 teams participated in an online manner and 2 teams were from outside India (Malaysia & Brazil). A qualifier's round was conducted for online participants and top 2 teams competed with offline teams. The debate was presided by Mr. Arpit Patni, Chair, Yi Jaipur. Mr. Vinay Modi and Ms. Malti Jain were the jury members for the debate.

At the end of the debate, the chief guests and the jury members appreciated Poornima Manthan 2021, and said that it was wonderful seeing students deal with banter in a strategically manner.

The winners of MANTHAN 2021 were Harshit Baweja & Tridivendra Mohanta from JNU, Jaipur and the Runners up were Navreen Kaur & Yashovardhan Tiwari from St. Xavier's College, Jaipur.

The event ended with the momento presentation to the Chief Guest and the Jury Members; and a vote of thanks by the Convener.

Organizing Manthan 2021 was a truly overwhelming experience for the whole team. Conducting such a big event in hybrid mode was definitely a challenge, but receiving the startling amount of participation was like a cherry on top.

Glimpses of Poornima Manthan 2021:
